What to expect on your first visit in the Vein Center

What do I need to bring with me for my first visit?

Bring a current list of medications, insurance cards and photo ID

Do I need to fast for my first visit?

No. Eat, drink and take all medications as normal.

Will I have a procedure for my first visit?

No. You will have an ultrasound doppler of both legs and a consultation with the doctor. No preparation is needed for this type of ultrasound.

Do I need to arrive early?

We suggest arriving 10 minutes before your scheduled time.
